Re: National Association of Broadcasters Political Action Committee (NABPAC) (C00009985)

Dear Ms Miller:

NABPAC is in receipt of your Request for Additional Information ("RFAI") dated September 10, 2010 regarding NABPAC's August Monthly report (7/1/2010 - 7/31/2010). This letter provides a comprehensive response to your inquiry concerning earmarked contributions disclosed on Schedule B with no corresponding receipts on Schedule A. Based on your conversation with Christine Szathmary on October 15, 2010, it is NABPAC's understanding that the actions taken in response to the RFAI will serve as an adequate response.

As the RFAI mentions, the original report showed \$1,500 in earmarked contributions disclosed on Schedule B. An amended report was submitted to correct the disclosure errors. First, the amended report identified Baynard Walters' \$500 contribution on Schedule A as an earmarked contribution. This receipt corresponds with the \$500 disbursement to Volunteers for Shimkus, as noted on Schedule B. The \$1,000 disbursement to Marsha Blackburn for Congress was intended to be from the PAC and the amendment reflects that the disbursement is not an earmarked contribution.

NABPAC has revised its policies and procedures regarding earmarked contributions to ensure that earmarked contributions are reported correctly in the future and there is no confusion about which disbursements are intended to be from the PAC and those that are earmarked by individuals.

NABPAC has also received your RFAI dated September 29, 2010 regarding NABPAC's September Monthly report (8/1/2010 - 8/31/2010). As per your discussion with Christine Szathmary, NABPAC is currently in the process of making the corrections and a response is forthcoming.

Sincerely,

Melissa Laurenza
